ABOUT US

AES
ASHUTOSH ENGINEERING SOLUTIONS

REGISTER IN 2022

Ashutosh Engineering Solutions delivers end-to-end electrical solutions for hospitals, schools, malls, offices, commercial spaces, and premium bungalows. We manage complete project execution, including supply, installation, and after-sales service. We also specialize in industrial electrical items such as power MCBs, relays, contactors, heavy exhaust systems, and industrial lighting. In addition, we work closely with builders and developers, supplying complete electrical items in bulk at highly competitive prices. We are authorized distributors of LUKER, KUHL, and VIHAN.
